Dear Friends,

Greetings from the Association of Child Neurology. We take great pleasure in inviting you to the VIIIth National Child Neurology Conference- Child Neurocon 2017. The theme of the conference is "Bridging Basics and Advances in Child Neurology". The conference will have a potpourri of topics of interest to both pediatric neurologists and general pediatricians. We are fortunate to have eminent international and national experts in the field of Child Neurology as faculty. We have planned a variety of academic activities such as lectures, symposia, case presentations, poster sessions and a Quiz for post graduate students. We invite you to participate in this exciting academic feast.
